What is the Growth Support Kickstart Grant Scheme?

This Growth Support Kickstart Grant scheme has been designed to support organisations to recover from the impacts of COVID 19 and is open to enterprises who meet all criteria to receive European Regional Development Fund (ERDF) funding. Funding has been split into two Funding Pots.

- £336,314 has been made available to the Tourism Sector
- £411,050 has been made available to the Non-Tourism Sector.

You do not need to specify which grant allocation you are applying to. If you declare yourself as working within the Tourism Sector any grant award will be allocated from the Tourism Sector allocation similarly if you declare yourself as working in the Non- Tourism Sector any grant award will be allocated from the Non-Tourism allocation.

The Growth Support Kickstart Grant Scheme is additional support offered by the ERDF Growth Support Programme (GSP).

The Growth Support began in 2017 and provides a free 12-hour support session for ERDF eligible businesses. GSP offers the following support modules.

- Finance
- Business Planning
- Innovation
- HR
- Digital

We realise that some business will require different or additional support to that listed above as they work hard to recover from the impacts of COVID 19. Therefore, the Growth Support Kickstart Grant Scheme will enable eligible businesses to apply for funding to obtain specialist support to assist their business recovery. The Grant can also be used to purchase small items that are needed if part of your Recovery Plan is to adapt existing technology or to adopt new technology.

Please consider whether other support options are available and possibly more suited to your business’s recovery. Advice is available from the Heart of the South West Growth Hub email; info@heartofswgrowthhub.co.uk or telephone 03456 047 047. The Heart of the Southwest Growth Hub can provide information and advice on all available support.
How much can I apply for?

Grants are 100% of your eligible costs and you can apply for between £1000 and £3000.

What can I use the money for?

- Special Consultancy
- Minor items that are an adoption of new technology that support the day to day running of the organisation.
- Minor items that are an adoption of existing technology that supports the day to day running of the organisation.

A Growth Support Kickstart Grant Scheme grant cannot be used to:

- Support businesses with working capital;
- Support businesses to fund the payment of wages;
- Purchase of equipment and consumables associated with PPE and social distancing measures;
- Activities which would contradict, duplicate or undermine HM Government domestic initiatives;
- Capital items.

What should I do before I complete the application?

Make sure you have collated all the necessary information as detailed above. Most questions are self – explanatory and where possible information has been shown in *italics* advising / reiterating what information you should provide.

How do I submit my application?

Applications can be submitted online.

[Kickstart grant webpage](#)

A paper version will be available to download when scheme opens applications.

What happens after I submit by application?

Applications will be reviewed for completeness if all the required information has been provided, they will then be assessed, we aim to notify of an award and issue a Grant Funding agreement within 14 days of receiving the application. We will continue to process applications until the funding allocations are fully committed as soon as this happens, we will close for applications.
If you do not answer all applicable questions or do not provide supporting information, then your application will be rejected. We will tell you what has led to the rejection and ask you to resubmit with the information that was omitted from the original submission.

We anticipate that demand for Grants will be high, so we are operating on a first come first served basis. If your application is complete and in order then you the application will be progressed, the most likely outcome is that an award will be made, if your application is not complete then as stated above it will be rejected and you will be asked to re-submit, effectively joining the back of the application queue.
